Chartered Accountants

Independent Auditor's Report

To the Shareholders of Trust Bank PLC.

Report on the Audit of the Consolidated and Separate Financial Statements

Opinion

We have audited the consolidated financial statements of **Trust Bank PLC.** and its subsidiaries (the "Group") as well as the separate financial statements of **Trust Bank PLC.** (the "Bank"), which comprise the consolidated and separate Balance Sheets as at 31 December 2024, and consolidated and separate Profit and Loss Accounts, consolidated and separate statement of Changes in Equity, and consolidated and separate Cash Flow Statements for the year then ended, and notes to the consolidated and separate financial statements, including material accounting policy information.

In our opinion, the accompanying consolidated financial statements of the Group and separate financial statements of the Bank give a true and fair view of the consolidated Balance Sheet of the Group and the separate Balance Sheet of the Bank as at 31 December 2024, and of its consolidated and separate Profit and Loss Accounts and its consolidated and separate cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) as explained in note # 2 and comply with the Banking Companies Act, 1991 (as amended up to date), the Companies Act, 1994, the rules and regulations issued by the Bangladesh Bank, the rules and regulations issued by the Bangladesh Securities & Exchange Commission (BSEC) and other applicable laws and regulations.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the Consolidated and Separate Financial Statements section of our report. We are independent of the Group and the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), Bangladesh Securities and Exchange Commission (BSEC), and Bangladesh Bank, and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye-Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated and separate financial statements for the financial year 2024. These matters were addressed in the context of our audit of the consolidated and separate financial statements as a whole, and informing auditor opinion thereon, and we do not provide a separate opinion on these matters. For each matter described below our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatements of the financial statements. These results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

Description of key audit matters

Our response to key audit matters

Measurement of provision for loans and advances

With reference to Note 12.1 to the financial statements, the process for calculating the provision for loans and advances/investments portfolio associated with credit risk is significant and complex. The Bank calculates provision for loans and advances/investments by considering various factors such as rate of provision, loan category, expiry date, outstanding balance, interest suspense amount, value of eligible collateral as per BRPD circular no. 14 dated 23 September 2012 and its subsequent amendments.

In Bangladesh, non-performing loans have been increasing day by day. Banks need to maintain provisions for additional non-performing loans in line with the central bank's guidelines. The Bank identifies impaired loan accounts and calculates required provisions manually. Furthermore, management has incentive to maintain lower provisions for loans and advances to overstate profit.

Considering these factors, we have considered measurement of provision for loans and advances/investments as significant risk as well as a key audit matter.

At the year end of 2024 the Group reported total gross loans and advances of BDT 379.14 billion (2023: BDT 333.79 billion) and in 2024 the Bank reported total gross loans and advances of BDT 378.24 billion (2023: BDT 332.70 billion) whereas at the year end of 2024

We tested the design and operating effectiveness of key controls focusing on the following:

- Credit appraisal, loan disbursement procedures, monitoring and provisioning process;
- Identification of loss events, including early warning and default warning indicators;
- Review of quarterly Classification of Loans (CL).

Our substantive procedures in relation to the provision for loans and advances portfolio comprised the following:

For confirming the classification of rescheduled lease, loans and advances. we performed the following procedures:

- We checked the no. of instalments outstanding and compliance with BRPD Circular No. 16 dated 18 July 2022;
- Reviewed the appropriateness of the approvals for the transfer of interests to the Income account in accordance with the Bangladesh Bank's guidelines;
- Reviewed the adequacy of the general and specific provisions in line with related Bangladesh Bank guidelines. Reviewed the grounds for recommendations for approvals in cases of transfer of interests to Income account;
- Tested the inputs in computation of provision in terms of testing the accuracy of underlying information;
- Assessed the methodologies on which the provision amounts are based, recalculated the provisions and tested the completeness and accuracy of the underlying information;

the Group reported total provision for loans and advances of BDT 18.40 billion (2023: BDT 14.11 billion) and the Bank reported total provision for loans and advances of BDT 17.78 billion (2023: BDT 13.49 billion).

- Checked the adequacy of the Bank's general and specific provisions;
- Evaluated the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.

See note nos. 7, 7.a and 12.01 to the financial statements

Recognition of interest income on loans and advances

Recognition of interest income has significant and wide influence on financial statements. Recognition and measurement of interest income has involvement of complex IT environments.

We identify recognition of interest income from loans, advances and leases as a key audit matter because this is one of the key performance indicators of the Bank and therefore there is an inherent risk of fraud and error in recognition of interest by management to meet specific targets or expectations.

We tested the design and operating effectiveness of key controls over recognition and measurement of interest on loans, advances and leases.

We performed test of operating effectiveness on automated control in place to measure and recognise interest income.

We have also performed substantive procedures to check whether interest income is recognised completely and accurately.

We assessed the appropriateness and presentation of disclosure against relevant accounting standards and Bangladesh Bank guidelines.

See note no. 20 and 20.01 to the financial statements

Valuation of treasury bill and treasury bond

The classification and measurement of T-Bill and T-Bond require judgment and complex estimates.

In the absence of a quoted price in an active market, the fair value of T-Bills and T-Bonds is determined using complex valuation techniques which may take into consideration direct or indirect unobservable market data and complex pricing models which require an elevated level of judgment.

We assessed the processes and controls put in place by the Bank to identify and confirm the existence of treasury bills and bonds.

We obtained an understanding, evaluated the design and tested the operating effectiveness of the key controls over the treasury bills and bonds valuation processes, including controls over market data inputs into valuation models, model governance and valuation adjustments.

We tested a sample of the valuation models and the inputs used in those models, using a variety of techniques, including comparing inputs to available market data.

Finally assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.

See note nos. 6 and 6.01 to the financial statements

Impairment assessment of unquoted investments

In the absence of a quoted price in an active market, the fair value of unquoted shares and bonds, especially any impairment is calculated using valuation techniques that may take into consideration direct or indirect unobservable market data and hence require an elevated level of judgment.

We have assessed the processes and controls put in place by the Bank to ensure all major investment decisions are undertaken through a proper due diligence process We tested a sample of investments valuation as at 31 December 2024 and compared our results to the recorded value.

Finally, we assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.

See note nos. 6 and 6.2.1 & 6.2.2 to the financial statements

Measurement of Deferred Tax

We identified the measurement of deferred tax assets/liabilities as a key audit matter due to the recognition of these assets/liabilities involving judgement by management as to the likelihood of the realization of these deferred tax assets/liabilities, which is based on a number of factors including whether there will be sufficient taxable profits in future periods to support recognition.

The Bank disclosed deferred tax assets and deferred tax liabilities of BDT 136 million (2023: BDT 104 million) and BDT 00 million (2023: BDT 00 million) repectively as of 31 December 2024. The Bank disclosed net deferred tax assets of BDT 136 million (2023: BDT 104 million) as of 31 December 2024.

Our procedures in relation to management's assessment about the measurement of deferred tax assets/liabilities included:

- Evaluating management's assessment on the sufficiency of future taxable profits in support of the recognition of deferred tax by comparing management's forecasts of future profits to historical results and evaluating the assumptions used in those forecasts:
- Obtaining the communications between the Bank and taxation authorities regarding tax positions;
 and
- Assessed the appropriateness and presentation of disclosures against IAS 12 Income Tax.

See note no.9.4.1 and 9.4.1.2 to the financial statements

IT systems and controls

Our audit procedures have a focus on IT systems and controls due to the pervasive nature and complexity of the IT environment, the large volume of transactions processed in numerous locations daily and the reliance on automated and IT dependent manual controls.

We conducted extensive testing to assess the design and operating effectiveness of the Bank's IT access controls over critical financial reporting systems. Our audit procedures included evaluating IT general controls, particularly focusing on logical access, change management, and IT operational controls.

Our areas of audit focus included user access management, developer access to the production environment and changes to the IT environment. These are key to ensuring IT dependent and application-based controls are operating effectively.

We tested whether requests for access to systems were appropriately reviewed and authorized, ensuring that only authorized personnel had access to sensitive financial data. Additionally, we examined the Bank's periodic review process for access rights and assessed whether changes to systems were properly approved and authorized to prevent unauthorized modifications.

As part of our audit, we also evaluated the Bank's control environment concerning system interfaces, configurations, and application-layer controls that were identified as critical to financial reporting accuracy. Given the significance of IT application controls in ensuring the integrity of automated financial processes, we tested key application-based controls, including system-generated reports, automated iournal entries, and validation mechanisms that support transaction processing. This involved assessing whether these automated controls were functioning as intended and whether their outputs were reliable for financial reporting purposes.

Furthermore, we performed detailed tests on IT general controls to assess the effectiveness of application development processes, database security, and hosting platform management. We also evaluated the segregation of incompatible duties relevant to application and database change management to determine whether adequate controls were in place to prevent unauthorized access or modifications.

Legal and regulatory matters

We focused on this area because the Bank and its subsidiaries (the "Group") operate in a legal and regulatory environment that is exposed to significant litigation and similar risks arising from disputes and regulatory proceedings. Such matters are subject to many uncertainties and the outcome may be difficult to predict.

These uncertainties inherently affect the amount and timing of potential outflows with

We obtained an understanding, evaluated the design and tested the operational effectiveness of the Bank's key controls over the legal provision and contingencies process.

We enquired to those charged with governance to obtain their view on the status of all significant litigation and regulatory matters.

respect to the provisions which have been established as other contingent liabilities.

Overall, the legal provision represents the Group's and the Bank's best estimate for existing legal matters that have a probable and estimable impact on the Group's financial statement.

We enquired of the Bank's internal legal counsel for all significant litigation and regulatory matters and inspected internal notes and reports.

We assessed the methodologies on which the provision amounts are based, recalculated the provisions and tested the completeness and accuracy of the underlying information.

We also assessed the Bank's provisions and contingent liabilities disclosure.

Other information

Management is responsible for the other information. The other information comprises all of the information in the Annual Report other than the consolidated and separate financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated and separate financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated and separate financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Responsibilities of Management and Those Charged with Governance for the Consolidated and Separate Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the consolidated financial statements of the Group and also separate financial statements of the Bank in accordance with IFRSs as explained in note 2 and for such internal control as management determines is necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error. The Bank Company Act, 1991 and the Bangladesh Bank Regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Bank. The Management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

In preparing the consolidated and separate financial statements, management is responsible for assessing the Group's and the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group and the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's and the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated and separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and whether the consolidated and separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act 1994, the Securities and Exchange Rules 2020, the Bank Company Act 1991 (as amended up to date), the Financial Reporting Act 2015, and the rules and regulations issued by Bangladesh Bank, we also report that:

- (i) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- (ii) to the extent noted during the course of our audit work performed on the basis stated under the Auditor's Responsibility section in forming the above opinion on the consolidated financial statements and considering the reports of the Management to Bangladesh Bank on anti-fraud internal controls and instances of fraud and forgeries as stated under the Management's Responsibility for the financial statements and internal control:
 - (a) internal audit, internal control and risk management arrangements of the Group as disclosed in the financial statements appeared to be materially adequate;
 - (b) nothing has come to our attention regarding material instances of forgery or irregularity or administrative error and exception or anything detrimental committed by employees of the Group and its related entities (other than matters disclosed in these financial statements);
- (iii) the consolidated financial statements of the Bank include three subsidiaries, namely Trust Bank Securities Limited has been audited by Islam Quazi Shafique & Co., Chartered Accountats. Trust Bank Investment PLC has been audited by Shafiq Basak & Co. Chartered Accountats. and Trust Axiata Digital Limited was unaudited. The results of these subsidiaries, as per their financial statements (audited in the case of first two subsidiaries and unaudited in the case of the last one) made available to us by the Bank, have been reflected in the Group's consolidated financial statements from the financial statements of these subsidiaries as have been made available to us by the management of the Bank;
- (iv) in our opinion, proper books of account as required by law have been kept by the Group and the Bank so far as it appeared from our examination of those books;

- (v) the records and statements submitted by the branches have been properly maintained and consolidated in the financial statements;
- (vi) the consolidated balance sheet and consolidated profit and loss account together with the annexed notes dealt with by the report are in agreement with the books of account and returns;
- (vii) the expenditures incurred were for the purpose of the Bank's business for the year;
- (viii) the consolidated financial statements of the Group and the separate financial statements of the Bank have been drawn up in conformity with prevailing rules, regulations and accounting standards as well as related guidance issued by Bangladesh Bank;
 - (ix) adequate provisions have been made for advance and other assets which are in our opinion, doubtful of recovery;
 - (x) the information and explanations required by us have been received and found satisfactory;
- (xi) we have reviewed over 80% of the risk weighted assets of the Bank and spent over 5,200 person hours; and
- (xii) Capital to Risk-weighted Asset Ratio (CRAR) as required by Bangladesh Bank has been maintained adequately during the year.

1.2.4 Accounting Policies of Subsidiaries

The Financial Statements of three subsidiaries have been prepared and all assets, liabilities, income and expenses are measured and regularised under Group accounting policies as Parent Company follows.

1.3 Islamic Banking activities

Islam is not only confined with Ibadah but also a complete guidance for human life. It tells us how to manage all activities of life in a sound and ethical way. Its completeness is described in Quranic verse; "This day I have perfected your religion for you, completed my blessing on you and approved Islam as the way of life for you" (Al-Maidah: 3).

It has guided the human being how to deal in financial transactions known as Mu'amalah. This Mu'amalah component defines the conduct of economic activities within the Islamic economic system and lays down the rules for business, commercial, financial, and banking systems.

Islam demands all economic activities including banking must run in accordance with the Islamic Shariah i.e. prohibition of interest from all transactions and dealing in businesses that are allowed (halal) in shariah. Islamic Banking has potential for earthly returns (earning profit) as well as reward in the Divine world (benefit in hereafter) by abiding the instructions of the Almighty Allah.

To ensure compliance of shariah guidelines, Islamic banking practices a strong documentary record keeping system eliminating all vagueness regarding business & responsibilities of the parties involved.

Trust Islamic Banking

Trust Bank is presently carrying out its Islamic banking operations through 30 (thirty) Islamic banking windows with the Brand name Trust Islamic Banking (TIB).

Shariah Compliance

To oversee the Shariah compliance of Islamic Banking operation of Trust Bank, TIB has an Internal Shairah Audit/Review team (Muraqib). Muraqib (Shariah Auditor) of Trust Bank (Islamic Banking) conducts shariah audit/inspection throughout the year to its Islamic Banking Windows as per Shariah Audit Plan (Calendar) approved by the Shariah Supervisory Committee.

In addition to the Shariah guidelines, Trust Islamic banking (TIB) strictly comply the Bangladesh Bank instructions regarding Islamic banking operations and adheres to the followings:

- Completely Separate Fund management—no mixing of fund with the conventional banking deposits of the Bank. Investments are made from the Islamic banking deposits only.
- Separate book-keeping, Profit & Loss Account by Islamic banking module of Bank's CBS.
- Profit sharing ratio (Depositor: Bank) is 65:35 for the year 2024.
- Profit distributions are executed as per approved weightage table.

Deposit & Investment

The overall business activities of TIB has seen a very positive growth. Both Deposit and Investment of TIB has increased significantly in the year 2024.

Trust Islamic Banking Operations is closely monitored and supervised by a knowledgeable & committed team in Islamic Banking and Finance to ensure compliance, development and growth of TIB business. TIB offers the full range deposit & investment products & services for corporate, retail & SME sectors.

A separate Balance-sheet, Profits & Loss account and statement of Cash-Flows are shown in the Annexure E, F & G of this report. The figures appear in the Annexure have been incorporated in the related heads of financial statement as recommended by the Bangladesh Bank.

1.4 Retail Banking Division:

Retail Banking Division is a keystone of modern financial institutions, providing a broad array of banking services tailored to individual customers. This division is designed to meet the everyday banking needs of the general public, offering personalized financial solutions, exceptional customer service, and innovative digital tools. Retail Banking Division of Trust Bank PLC is dedicated to providing personalized and comprehensive financial services that cater to the everyday needs of individual customers. With a strong commitment to customer satisfaction and financial inclusion, the division strives to offer an extensive range of banking products designed to make financial management simple, secure, and accessible.

Trust Bank's Retail Banking Division offers a variety of deposit products, including savings accounts, current accounts, and fixed deposits. These products are designed with flexibility in mind, allowing customers to manage their finances easily while benefiting from competitive interest rates. The division also offers a wide array of lending solutions, such as personal loans, home loans, and auto loans, tailored to meet the diverse financial needs of its clients. The loan offerings come with attractive interest rates and flexible repayment options, ensuring that customers can access the funds they need, when they need them, with minimal hassle.

Moreover, Trust Bank's Retail Banking Division organize several school banking conference/campaign and training program for the employees in every year. Retail Banking Division also sign MoU with various real estate and automobile entities for co-branding which boost up the retail business with providing one stop service for the customers.

In a brief, Trust Bank's Retail Banking Division stands as a pillar of customer service, offering a diverse range of products and services that help individuals manage, grow and secure their financial well-being.

1.5 SME and Green Banking Activities SME Financing:

Cottage, Micro, Small and Medium Enterprises (CMSMEs) play a crucial role for economic development of any country. The contribution of SMEs is indispensable particularly for the developing countries like Bangladesh. SMEs help increasing national income, creating rapid employment thereby contributing towards eradication of extreme poverty and hunger, gender equality and women empowerment. Recognizing the fact, SMEs are termed as engine of economic growth.

In pursuance of Central Bank's policy initiatives, TBL formulated its SME banking policies in 2009 targeting the 'missing middle' (CMSMEs) with a view to bringing them into the formal financial folder through its 119 branch networks including 06 SME Service Centers and 08 Sub Branches located in different parts of the country. TBL is now among the forefront SME favored bank list. Trust Bank is reaching the SME customer segments through its tailored products to meet their credit demand. The Bank's SME exposure is well diversified covering the sectors like Power-loom, Handloom, Light Engineering, Handicrafts, Nakshi Kantha, Garments Accessories, Fisheries, Poultry and other Trading and Agro-business including Women Entrepreneurs.

Trust Bank has introduced as many as 14 number of tailor-made products in commensurate with BB Policy Guidelines with special emphasis on cluster/area approaches. 'Trust Akota' is a product designed to target the people involved in handloom sector located in Enayetpur, Sirajgonj, while 'Trust Bunoon' is instrumental in financing on Spinning and handloom sector at Narsingdi, Sirajgonj and Naryangonj. 'Trust-Nondini' is a specialized product for women entrepreneurs and 'Trust Sukanya' is a product designed to facilitate the most backward and marginalized women based in three hill districts and the people involved with Nakshi Kantha works in Jessore. TBL being a SME favored Bank has equally increased its focus on the farmers, small, and marginalized people by designing a special product named 'Trust-Prantik'. TBL provided loan facility for BDT 26,312.80 million to CMSME sector during 2024 among 41,235 customers including cottage and micro segments through own network and MFI linkage.

These expansionary SME financing initiatives of TBL has increasingly been contributing to employment creation directly or indirectly in the country. Trust Bank, SME Division is relentlessly working towards taking the SME portfolio up to 25% of Banks total loans and advances.

Green Financing

Green finance is one of the main stream of Sustainable development or Sustainable Finance. The key green energy projects/green finance in Bangladesh include the Solar Home System (SHS), solar mini grids, solar irrigation pumping systems, biogas plants, energy efficiency project, recycling & recyclable goods etc. Trust Bank has started contributing in the renewable energy sector through financing on Bio gas plants and Solar-home system. We are said to be the pioneer in the financing of Biogas plants among the Banking financial institutions.

Total		12,009.62

2 BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICY INFORMATION

2.1 Statement of Compliance

The Financial Reporting Act 2015 (FRA) was enacted in 2015. Under the FRA, the Financial Reporting Council (FRC) was formed in 2017 and has since then adopted International Accounting Standards (IASs) and International Financial Reporting Standards (IFRSs) as the applicable Financial Reporting Standards for public interest entities such as banks with effect from 02 November 2020.

Accordingly, the consolidated and separate financial statements of the Group and the Bank, respectively, have been prepared in accordance with IFRSs (including IASs). In addition to this, the Bank also complied with the requirements of the following laws and regulations from various Government bodies:

- i) The Banking Companies Act, 1991, and amendment thereon;
- ii) The Companies Act, 1994;
- iii) Circulars, Rules and Regulations issued by Bangladesh Bank (BB) from time to time;

- iv) Bangladesh Securities and Exchange Rules, 1987; Bangladesh Securities and Exchange Ordinance, 1969; Bangladesh Securities and Exchange Act, 1993 and Bangladesh Securities and Exchange Commission (Public Issue) Rules 2015 and amendments thereon;
- v) The Income Tax Ordinance, 1984, and amendments thereon;
- vi) The Value Added Tax Act, 2012, The Value Added Tax Rules, 2016 and amendments thereon:
- vii) Dhaka Stock Exchange Limited (DSE), Chittagong Stock Exchange Limited (CSE) and Central Depository Bangladesh Limited (CDBL) rules and regulations; and
- viii) Financial Reporting Act, 2015.

In case of any requirement of the Banking Companies Act, 1991 and provisions and circulars issued by Bangladesh Bank (BB) differ with those of IFRSs, the requirements of the Banking Companies Act, 1991, and provisions and circulars issued by BB shall prevail. Material departures from the requirements of IFRSs are as follows:

i) Presentation of financial statements

IFRS: As per IAS 1: Presentation of financial statements, financial statements shall comprise a statement of financial position as at the end of the period, a statement of profit or loss and other comprehensive income for the period, a statement of changes in equity for the period, a statement of cash flows for the period, notes - comprising significant accounting policies and other explanatory information. As per IAS 1, the entity shall also present current and non-current assets and liabilities as separate classifications in its statement of financial position.

Bangladesh Bank: The presentation of the financial statements in prescribed format (i.e. balance sheet, profit and loss account, cash flow statement, statement of changes in equity, liquidity statement) and certain disclosures therein are guided by the First Schedule (section 38) of the Banking Companies Act 1991 (as amendment up to date) and BRPD circular no. 14 dated 25 June 2003 and subsequent guidelines of Bangladesh Bank. In the prescribed format there is no option to present assets and liabilities under current and non-current classifications.

ii) Investment in shares and securities

IFRS: As per requirements of IFRS 9: Financial instruments, financial assets generally falls under at amortized cost, or fair value through profit and loss account or fair value through other comprehensive income, where any change in the fair value at the year-end is taken to profit or loss account or other comprehensive income/revaluation reserve respectively.

Bangladesh Bank: As per Banking Regulation & Policy Department (BRPD) circular no. 14 dated 25 June 2003, investments in quoted shares and unquoted shares are revalued at the year end at market price and Net Assets Value (NAV) of last audited balance sheet, respectively. In addition to that Department of Off-site Supervision (DOS) of Bangladesh Bank vide its circular letter no. 03 dated 12 March 2015 directed that investment in mutual fund (closed end) will be revalued at lower of cost and (higher of marker value and 85% of NAV). Provision should be made for any loss arising from diminution in value of investment; otherwise investments are recognized at cost.

iii) Revaluation gains/losses on government securities

IFRS: As per requirement of IFRS 9: Financial instruments, an entity shall classify financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both:

- a) the entity's business model for managing the financial assets; and
- b) the contractual cash flow characteristics of the financial asset.

Bangladesh Bank: According to DOS Circular 05 dated 26 May 2008 and subsequently clarification in DOS Circular 05 dated 28 January 2009, HFT securities are revalued on the basis of mark to market and at the year end any gains on revaluation of securities which have not matured as at the balance sheet date are recognized in other reserves as a part of equity and any losses on revaluation of securities which have not matured as at the balance sheet date are charged in the profit and loss account. Interest on HFT securities including amortization of discount are recognized in the profit and loss account. HTM securities which have not matured as at the balance sheet date are amortized at the year end and gains or losses on amortization are recognized in other reserves as a part of equity.

iv) Provision on loans and advances/investments

IFRS: As per IFRS 9, an entity is required to create a credit loss allowance/impairment allowance on initial recognition of the financial asset through amortized cost or fair value through other comprehensive income to which impairment requirements apply. Expected credit losses are required to be measured through a loss allowance at an amount equal to the -

- (i) 12-month expected credit losses or
- (ii) lifetime expected credit losses.

An entity may continue to provide for 12-month expected credit losses if there is not a significant change in credit risk. If the credit risk increases significantly since initial recognition the 12-month expected credit impairment allowance is replaced by lifetime expected credit losses.

Bangladesh Bank: As per BRPD Circular 14 dated 23 September 2012, BRPD Circular no. 19 dated 27 December 2012, BRPD Circular no. 05 dated 29 May 2013, BRPD circular no. 16 dated 18 November 2014, BRPD Circular no. 16 dated 21 July 2020 and BRPD Circular no. 52 dated 20 October 2020, a general provision at 0.25% to 5% under different categories of unclassified loans (good/standard loans) has to be maintained regardless of objective evidence of impairment. Also provision for sub-standard loans, doubtful loans and bad & losses loans has to be provided at 20%, 50% and 100% respectively for loans and advances depending on the duration of overdue. Again as per BRPD circular No. 10 dated 18 September 2007 and BRPD circular no. 14 dated 23 September 2012, a general provision at 1% is required to be provided for all off-balance sheet exposures. Such provision policies are not specifically in line with those prescribed by IFRS 9.

v) Recognition of interest in suspense

IFRS: Loans and advances to customers are generally classified as non-derivative financial assets measured at amortised cost as per IFRS 9 and interest income is recognised through effective interest rate method over the term of the loan. Once a loan is impaired, interest income is to be recognised in profit and loss account on the same basis on revised carrying amount.

Bangladesh Bank: As per BRPD circular no. 14 dated 23 September 2012 and BRPD Circular no. 03 dated 21 April 2019, once a loan is classified, interest on such loans are not allowed to be recognized as income, rather the corresponding amount needs to be credited to an interest in suspense account, which is presented as liability in the balance sheet.

vi) Other comprehensive income

IFRS: As per IAS 1: Presentation of financial statements, Other Comprehensive Income (OCI) is a component of financial statements or the elements of OCI are to be included in a single Other Comprehensive Income statement.

Bangladesh Bank: Bangladesh Bank has issued templates for financial statements which will strictly be followed by all banks. The templates of financial statements issued by Bangladesh Bank do not include Other Comprehensive Income nor are the elements of Other Comprehensive Income allowed to be included in a single Other Comprehensive Income (OCI) Statement. As such the Bank does not prepare the other comprehensive income statement. However, elements of OCI, if any, are shown in the statements of changes in equity.

vii) REPO and Reverse REPO Transaction

IFRS: As per IFRS 9, when an entity sells a financial asset and simultaneously enters into an agreement to repurchase the asset (or a similar asset) at a fixed price on a future date (REPO or stock lending), the arrangement is treated as a loan and the underlying asset continues to be recognized in the entity's financial statements. The difference between selling price and repurchase price will be treated as interest expense. Same rule applies to the opposite side of the transaction (Reverse REPO).

Bangladesh Bank: As per DOS Circular Letter no. 06 dated 15 July 2010 and subsequent clarification in DOS Circular No. 02 dated 23 January 2013, when a Bank sells a financial asset and simultaneously enters into an agreement to repurchase the asset (or a similar asset) at a fixed price on a future date (REPO or stock lending), the arrangement is accounted for as a normal sale transaction and the financial asset should be derecognized in the seller's book and recognized in the buyer's book.

viii) Financial instruments - Presentation and disclosure

In several cases Bangladesh Bank guidelines categorise, recognize, measure and present financial instruments differently from those prescribed in IFRS 7: Financial instruments - disclosure and IFRS 9 Financial instruments. As such full disclosure and presentation requirements of IFRS 7 cannot be made in the financial statements.

ix) Financial guarantees

IFRS: As per IFRS 9: Financial instruments, financial guarantees are contracts that require an entity to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the terms of a debt instrument. Financial guarantee liabilities are recognized initially at their fair value minus the cost that are directly attributable to issue of the financial guarantee. After initial recognition, an issuer of such a guarantee shall subsequently measure it at higher of:

- i. the amount of the loss allowance and
- ii. the amount initially recognized less, when appropriate, the cumulative amount of the income recognized.

Bangladesh Bank: As per BRPD 14 dated 25 June 2003, financial guarantees such as letter of credit, letter of guarantee will be treated as off-balance sheet items. No liability is recognized for the guarantee except the cash margin. 1% provision is maintained on such off-balance sheet items as per guidelines of Bangladesh Bank.

x) Cash and cash equivalents

IFRS: Cash and cash equivalent items should be reported as cash item as per IAS 7: Statements of cash flows.

Bangladesh Bank: Some cash and cash equivalent items such as 'money at call and on short notice', treasury bills, Bangladesh Bank bills and prize bond are not shown as cash and cash equivalents. Money at call and on short notice presented on the face of the balance sheet, and treasury bills, prize bonds are shown in investments.

xi) Non-banking assets

IFRS: No indication of Non-banking asset is found in any IFRS.

Bangladesh Bank: As per Banking Regulation and Policy Department (BRPD) of Bangladesh Bank circular no. 14 dated 25 June 2003, there must exist a face item named Non-banking assets.

xii) Cash Flow Statement

IFRS: As per IAS 7, the cash flow statement can be prepared using either the direct method or the indirect method. The presentation is selected to present these cash flows in a manner that is most appropriate for the business or industry. The method selected is applied consistently.

Bangladesh Bank: As per BRPD 14, cash flow is the mixture of direct and indirect methods.

xiii) Balance with Bangladesh Bank (Cash Reserve Requirement)

IFRS: Balance with Bangladesh Bank should be treated as other assets as it is not available for use in day to day operations as per IAS 7.

Bangladesh Bank: Balance with Bangladesh Bank is treated as cash and cash equivalents.

xiv) Presentation of intangible asset

IFRS: An intangible asset must be identified and recognized, and the disclosure must be given as per IAS 38.

Bangladesh Bank: There is no regulation for intangible assets in BRPD 14 dated 25 June 2003.

xv) Off-balance sheet items

IFRS: There is no concept of off-balance sheet items in any IFRS; hence there is no requirement for disclosure of off-balance sheet items on the face of the balance sheet.

Bangladesh Bank: As per BRPD 14, off balance sheet items (e.g. Letter of credit, Letter of guarantee etc.) must be disclosed separately on the face of the balance sheet.

xvi) Loans and advances/Investments net of provision

IFRS: As per IFRS 9, Loans and advances/Investments should be presented net of provision.

Bangladesh Bank: As per BRPD 14 dated 25 June 2003, provision on loans and advances/investments are presented separately as liability and can not be netted off against loans and advances.

2.2 Basis of Consolidation

The consolidated financial statements include the financial statements of Trust Bank PLC and its subsidiary Trust Bank Investment PLC made up to the end of the financial year. The consolidated financial statements have been prepared in accordance with IFRS 10.

2.3 Subsidiary

Subsidiary is that enterprise which is controlled by the Bank. Control exists when the Bank has the power, directly or indirectly, to govern the financial and operating policies of an enterprise from the date that control commences until the date that control ceases. The financial statements of subsidiary are included in the consolidated financial statements from the date that control effectively commences until the date that the control effectively ceases. Subsidiary companies are consolidated using the purchase method of accounting.

2.4 Use of estimates and judgments

The preparation of consolidated financial statements of the Bank requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected.

2.5 Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, and have been applied consistently by the entities.

2.6 Transactions eliminated on consolidation

All intra-group transactions, balances, income and expenses are eliminated on consolidation. Profit and loss resulting from transactions between Group are also eliminated on consolidation.

2.7 Foreign currency transaction

a) Foreign currency

Items included in the financial statements of each entity in the group are measured using the currency of the primary economic environment in which the entity operates i. e. the functional currency. The financial statements of the group and the Bank are presented in BDT which is the Bank's functional and presentation currency.

b) Foreign currencies translation

Foreign currency transactions are converted into equivalent BDT using the prevailing exchange rates on the dates of respective transactions as per IAS-21, "The Effects of Changes in Foreign Exchange Rates". Foreign currency balances held in US Dollar are converted into BDT at weighted average rate of inter-bank market as determined by Bangladesh Bank on the closing date of every month. Balances held in foreign currencies other than US Dollar are converted into equivalent US Dollar at buying rates of New York closing of the previous day and converted into equivalent BDT.

Assets & liabilities and income and expenses of Off-shore Banking Units have been converted into BDT currency @ US\$1 = Taka 120.00 (closing rate as at 31 December 2024) and @ US\$1 = Taka 115.00 (average rate as at 31 December 2024).

c) Commitments

Commitments for outstanding forward foreign exchange contracts disclosed in these financial statements are translated at rates mentioned in contracts. Contingent liabilities/commitments for letters of credit and letters of guarantee denominated in foreign currencies are expressed in BDT terms at the rates of exchange prevailing on the balance sheet date.

d) Translation gains and losses

The resulting exchange transaction gains and losses are included in the profit and loss account, except those arising on the translation of net investment in foreign subsidiary.

e) Foreign operations

The results and financial position of the Group's operations whose functional currency is not Bangladeshi Taka are translated into Bangladeshi Taka as follows:

- i) Assets and liabilities are translated at the exchange rate prevailing at the balance sheet date.
- ii) Income and expenses in the income statement are translated at an average rate approximating the exchange rates at the year end;
- iii) Resulting exchange differences are recognized as a separate component of equity.
- iv) As per IAS 21, 'Foreign Currency Transactions' i.e. foreign currency denominated both monetary and non-monetary items of the OBUs are translated at historical rate because the OBUs are considered as an integral part of the Bank's operation not a foreign operation due to specific regulations governing the OBU and its unique nature.

f) Consolidation of Financial Statements of foreign operations

In Consolidation, foreign exchange differences arising from the translation of net investments in foreign entities, as well as any borrowings are taken into capital reserve. When a foreign operation is disposed of, such currency translation differences are recognized in the income statement as part of the gain or loss on disposal.

2.8 Reporting Period

These financial statements of the Bank and its subsidiaries cover the financial year from 01 January to 31 December 2024.

2.9 Events after the reporting period

All material events after the reporting period have been considered and appropriate adjustments/disclosures have been made in the financial statements as per IAS 10 Events after the reporting period. Board's recommendation for dividend distribution is a common item.

2.10 Cash Flow Statement

Cash Flow Statements has been prepared in accordance with International Accounting Standard (IAS) 7 "Cash Flow Statements" and under the guideline of Bangladesh Bank BRPD Circular no.14 dated 25 June 2003. The Statement shows the structure of changes in cash and cash equivalents during the financial year.

2.11 Statement of Changes in equity

The statement of changes in equity reflects information about the increase or decrease in net assets or wealth.

2.12 Statement of Liquidity

The liquidity statement of assets and liabilities as on the reporting date has been prepared on residual maturity term as per the following bases:

- a) Balance with other banks and financial institutions, money at call and short notice etc. are on the basis of their
- b) Investments are on the basis of their maturity.
- c) Loans and advances and lease receivables are on the basis of their repayment / maturity schedule.
- d) Fixed assets are on the basis of their useful life.
- e) Other assets are on the basis of their realization/adjustment.
- f) Borrowing from other banks, financial institutions and agents as per their maturity /repayment term.
- g) Deposits and other accounts are on the basis of their maturity term and past trend of withdrawal by the depositors.

- h) Other long term liabilities on the basis of their maturity term.
- i) Provisions and other liabilities are on the basis of their payment /adjustment schedule.

2.13 Taxation

The expense comprises current and deferred tax. Current tax and deferred tax is recognized in profit or loss except to the extent that it relates to a business combination or items recognized directly in equity.

2.13.1 Current Tax

In compliance with IAS-12 " Income Taxes", provision for current income tax has been made @ 37.50% on business income, @ 20% on dividend income and income from Perpetual Bond, @ 15% on capital gain on sale of Treasury Bills/Bonds and @ 10% on capital gain on sale of Shares, after considering some of the add backs to income and disallowances of expenditure as per Income Tax Act, 2023 (Formerly known as the Income Tax Ordinance 1984 and time to time amendments to issue different SROs and Circulars issued by the NBR.

2.13.2 Deferred taxation

Deferred tax liabilities are the amount of income taxes payable in future periods in respect of taxable temporary differences. Deferred tax assets are the amount of income taxes recoverable in future periods in respect of deductible temporary differences. Deferred tax assets and liabilities are recognized for the future tax consequences of timing differences arising between the carrying values of assets, liabilities, income and expenditure and their respective tax bases. Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantially enacted at the balance sheet date. The impact on the account of changes in the deferred tax assets and liabilities has also been recognized in the profit and loss account as per IAS-12 "Income Taxes".

2.14 Provision and accrued expenses

In compliance with IAS-37, provisions and accrued expenses are recognized in the financial statements when the Bank has a legal or constructive obligation as a result of past event, it is probable that an outflow of economic benefit will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

2.15 Provision for off-balance sheet exposures

As per BRPD circular no. 14 dated 23 September 2012 and BRPD circular no. 07, dated 21 June 2018, a general provision at 1% is required to be provided for all off-balance exposures except on 'bills for collection' and 'guarantees' where the counter guarantees have been issued by multilateral development bank (MDB)/ international bank having BB rating grade '1' equivalent outlined in the Guidelines on Risk Based Capital Adequacy (Revised Capital Framework for banks, in line with Basel-III).

2.16 Provision for Nostro accounts

The Bank is not required to maintain provision for Nostro accounts for the year 2024 in accordance with the guideline of Banking Regulation and Policy Department of Bangladesh Bank, BRPD Circular no. 04 dated 12 April 2023.

2.17 Assets and Basis of their valuation

2.17.1 Cash and cash equivalents

Cash and cash equivalents include notes and coins in hand, unrestricted balances held with Bangladesh Bank and highly liquid financial assets which are subject to insignificant risk of changes in their fair value, and are used by the Bank management for its short-term commitments.

2.17.2 Loans and advances / Investments

Loans and advances are formal and structured financial products with predefined terms for repayment, interest rates and tenure. Banks around the world function on the basis of funds and credit. As such Loans and advances are considered as the main elements of financial statements of the Bank. Major Income of the Bank is mainly generated from the interest of the loans and advances. So financial institutions are overly associated with the loans and advances in case of income generating. Basically financial institutions particularly Banks have extended their credit facilities to different sectors i.e. individual, enterprise and corporate bodies. From the very beginning Trust Bank PLC is maintaining the principles of lending along with an uptrend of Loans and advances in its financial statement by complying all the terms and condition of the Bangladesh Bank and other regulatory bindings.

In this consequences the bank secured consolidated position of Loans and Advances stands at BDT 378,241.49 million representing a growth of 13.69 % against BDT 332,703.58 million from the last year.

In case of financing Trust Bank PLC. always takes into consider for CMSME and Agricultural credit, Corporate Credit, Large Loans and Syndication finance, Export-Import Finance as well as Retail Finance both in conventional banking and investments through its Islamic banking windows. Trust Bank PLC. Gives its highest priority to allow financing in all the existing sectors like Power, Manufacturing Concern, Pharmaceutical, RMG & Textiles, Cement, Refinery, Ceramics, Pulp & Paper, Telecom, Steel, NGO-MFI and Construction etc. Also emerging or upcoming many sectors have been facilitated by Trust Bank PLC.

2.17.2.1 Initiatives against Recovery of Classified Loans

R&MD is dedicated to maintain the quality of assets in close collaboration with divisions and branches to achieve optimal results. R&MD aggressively pursues willful defaulters and negotiates terms for amicable settlements while demonstrating sensitivity and responsiveness in addressing legitimate challenges. As part of NPL management, R&MD plays a pivotal role in releasing classified/written-off funds to the bank, as well as releasing interest suspense and unapplied interest. R&MD's outstanding performance is evident in its total cash recovery of Tk. 7,496.59 million in 2024, marking an impressive growth of 126.92% over the previous year. This includes recoveries of Tk. 7,407.07 million from classified loans and Tk. 89.52 million from written-offs loans.

2.17.3 Loan Classification and Provisioning

Practicing appropriate marking of loan classification and provisioning are the key activities of Credit Administration Division of Trust Bank PLC. Bank has to maintain adequate provision against each and every loan in a professional way complying with the latest rules and regulations given by Bangladesh Bank time to time. The management as well as Credit Administration Division of the bank always put highest attention in case of marking of loan as classified and remain vigilant to pursue new loans from being classified. Moreover, the activities of the Credit Administration Division of the bank includes to reduce overdue loans and required provision through exercising prudent decision from post sanction stage and trying to minimize the existing overdue liabilities by means of strong monitoring and compliance.

As a result, at the end of 2024, the classified loans of the bank have stood at BDT 24,052.56 million and the bank kept total provision against Loans and Advances from BDT 19,340.90 million including Off Balance Sheet and Offshore Banking business. The bank also been able to keep the specific provision required by Bangladesh Bank successfully from time to time.

General provision on	Provision Rate
a. Consumer Financing (House Financing)	1%
b. Consumer Financing (Loans to Professional)	2%
c. Consumer Financing (Other than a & b)	2%
d. Cottage, Micro & Small Credit & Medium Enterprise Financing	0.25%
e. Short Term Agriculture & Micro Credit	1%
f. Loans to BHs/ MBs/ SDs against Shares etc.	1%
g. All other Credit	1%
h. Special Mention Account	1%
Specific provision on	
a. Substandard Loans and Advances	
i. Short Term Agri Credit & Micro Credit	5%
ii. Cottage, Micro & Small Credit	5%
iii. All Other Credit	20%
b. Doubtful Loans and Advances	
i. Short Term Agri Credit & Micro Credit	5%
ii. Cottage, Micro & Small Credit	20%
iii. All Other Credit	50%
c. Bad/Loss Loans and Advances	100%

2.17.4 Provision for off balance sheet exposures

General provision for off balance sheet exposures has been made @ 1% on period end balance as per BRPD circular No.06 dated 25 April 2023. In case of letter of credit, the general provision will be 0.5%. Bank shall also maintain additional provision over the general provision in the following way:

OBS exposures remaining overdue for -	Additional provisioning requirement		
03 (three) months or beyond but less than 12 (twelve) months.	1%		
12 (twelve) or beyond but less than 24 (twenty-four) months.	2%		
24 (twenty-four) months or beyond.	500%		

In case of OBS exposure under litigation, banks have to maintain additional 5% provision over the provision requirement.

2.18 Investment in Government Securities

In a well-diversified financial system, fixed income securities play significant role. The available government debt instruments in our country are treasury bills and treasury bonds. Banks and financial institutions are the main participants of Investment in Government Securities. As per regulatory requirement, banking institutions in Bangladesh need to meet minimum SLR of 13 percent of average demand and time liabilities. In compliance with the Bangladesh Bank regulation, Trust Bank PLC maintained the required threshold throughout the year 2024.

By successfully managing the Held To Maturity (HTM) and Held For Trading (HFT) portfolio of the fixed income securities, Treasury Division contributed significantly in the bottom line of the bank by earning investment income and capital gain for the bank.

The valuation methods of investment used are as follows:

2.18.1 Held to Maturity (HTM):

- HTM securities include government securities acquired by banks with the intention to hold until maturity, such as Treasury Bonds and non-marketable securities eligible for Statutory Liquidity Reserve (SLR).
- The Head of Treasury makes decisions regarding HTM securities.
- Investment in HTM securities cannot exceed 120% of the bank's SLR requirement.
- HTM securities cannot typically be sold, except for up to 15% of HTM securities, which may be reclassified into the HFT portfolio once a year.
- · Any gain or loss from the sale or reclassification of HTM securities is recorded in the profit and loss account.
- HTM securities are amortized at the end of the year, with the resulting gains or losses transferred to equity or profit and loss, respectively.

2.18.2 Held for Trading (HFT):

- HFT securities are acquired with the intention of trading them based on short-term price or interest rate movements. These include securities like Treasury Bills and Treasury Bonds with maturities of less than one year.
- HFT securities may be reclassified to HTM if they remain unsold for two years.
- HFT securities are marked to market weekly, with gains transferred to the revaluation reserve and losses booked in the profit and loss account.

Investment in listed securities

These securities are bought and held primarily for the purpose of selling them in future, or held for dividend income. These are reported at cost. Unrealized gains are not recognized in the profit and loss account. But provision for diminution in value of investment is provided in the financial statements where market price is below the cost price of investments as per Bangladesh Bank guideline. (note-6.4.1)

Investment in unquoted securities

Investment in unlisted securities is reported at cost under cost method. Adjustment is given for any shortage of book value over cost for determining the carrying amount of investment in unlisted securities.

Investments in subsidiary

Investment in subsidiaries is accounted for under the cost method of accounting in the Bank's financial statements in accordance with the IFRS-10. Accordingly, investments in subsidiaries are stated in the Bank's balance sheet at cost, less impairment losses (if any).

2.19 Fixed assets and depreciation

Fixed assets are stated at cost less accumulated depreciation as per IAS-16 " Property, Plant and Equipment".

Depreciation is charged at the following rates per annum using reducing balance method on all fixed assets other than motor vehicles and office equipment, which are depreciated on straight-line method and no depreciation on land is charged.

Category of fixed assets	Rate
Land	Nil
Building	2.5% p.a.
Furniture & Fixtures	10% p.a.
Office Equipment	20% p.a.
Motor Vehicles	20% p.a.

Depreciation at the applicable rates is charged proportionately on additions made during the year from the date of their use and in case of sale up to the earlier of the date that asset is classified as held for sale in accordance with IFRS 5 and the date that the asset is derecognized.

Repairs and maintenance costs of fixed assets are charged to profit & loss account, when incurred.

2.20 Intangible assets

Intangible asset is an identifiable non-monetary asset without physical substance. An intangible asset is recognized if it is probable that the future economic benefits that are attributable to the assets will flow to the entity and the cost of the asset can be measured reliably in accordance with IAS 38: "Intangible Assets".

Subsequent expenditure on intangible asset is capitalized only when it increases the future economic benefits embodied in the specific assets to which it relates. All other expenditure is expensed as incurred.

The software used by TBL represents the value of computer application software licensed for the use of the bank. Software is carried at cost less accumulated amortization and any impairment losses. Initial cost comprises license fees paid at the time of purchase and other directly attributable expenditure that are carried in customizing the software for its intended use. Software is amortized using the straight line method over the estimated useful life of 3 (three) years commencing from the month at which the application software is made available for use.

2.21 Impairment of Assets:

The policy for all assets or cash-generating units for the purpose of assessing such assets for impairment is as follows:

The Bank assesses at the end of each reporting period or more frequently if events or changes in circumstances indicate that the carrying value of an asset may be impaired, whether there is any indication that an asset may be impaired. If any such indication exits, or when an annual impairment testing for an asset is required, the bank makes an estimate of the asset's recoverable amount. When the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset or cash-generating unit is considered as impaired and is written down to its recoverable amount by debiting to profit & loss account.

Fixed assets are reviewed for impairment whenever events or charges in circumstances indicate that the carrying amount of an asset may be impaired.

2.22 Other assets

Other assets include all balance sheet accounts not covered specifically in other areas of the supervisory activity and such accounts may be quite insignificant in the overall financial condition of the Bank.

2.23 Non-Banking Assets

As on balance sheet date TBL has not arisen any Non-Banking Assets failure from borrower to repay the loan/Investments.

2.24 Offsetting

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously. Advance tax paid and provision for tax of the bank is presented on net basis as a liability item if the liability is higher than asset and as an asset item if the asset is higher than liability.

2.25 Receivables

Receivables are recognized when there is a contractual right to receive cash or another financial asset from another entity.

2.26 Inventories

Inventories measured at the lower of cost and net realizable value.

2.27 Leases

IFRS 16 Leases, defines a lease as "A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.". In order to assess whether a contract conveys the right to control the use of an identified asset, an entity shall assess whether, throughout the period of use, the customer has both of the following:

- (a) the right to obtain substantially all of the economic benefits from use of the identified asset; and
- (b) the right to direct the use of the identified asset.

To apply the definition of a lease, the Bank assesses whether the contract meets two key evaluations:

- the contract contains an identified asset, which is either explicitly identified in the contract or implicitly specified by being identified at the time the asset is made available to the Bank
- the Bank has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use. The Bank can obtain economic benefits from use of an asset directly or indirectly in many ways, such as by using, holding or sub-leasing the asset. The Bank also considers whether it has the right to direct 'how and for what purpose' the asset is used throughout the period of use.

Measurement and recognition of leases as a lessee

Recognition:

At the commencement date, the Bank recognizes a right-of-use (ROU) asset and a lease liability.

Measurement:

Initially, the right-of-use asset is measured at cost, which is comprised of the following:

- (a) the amount of the initial measurement of the lease liability;
- (b) any lease payments made at or before the commencement date, less any lease incentives received;
- (c) any initial direct costs incurred by the Bank; and
- (d) an estimate of costs to be incurred by the Bank in dismantling and removing the underlying asset, restoring the site on which it is located.

After the commencement date, the Bank measures the right-of-use asset applying a cost model, unless other models are appropriate. To apply a cost model, the Bank measures the right-of-use asset at cost:

- (a) less any accumulated depreciation and any accumulated impairment losses; and
- (b) adjusted for any remeasurement of the lease liability.

At the commencement date, the Bank measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments is discounted using the interest rate implicit in the lease, if that rate can be readily determined or the Bank's incremental borrowing rate.

At the commencement date, the lease payments included in the measurement of the lease liability comprises the following payments for the right to use the underlying asset during the lease term that are not paid at the commencement date:

- (a) fixed payments less any lease incentives receivable;
- (b) variable lease payments;
- (c) amounts expected to be payable by the Bank under residual value guarantees;
- (d) the exercise price of a purchase option if the lessee is reasonably certain to exercise that option; and
- (e) payments of penalties for terminating the lease.

After the commencement date, the Bank measures the lease liability by:

- (a) increasing the carrying amount to reflect interest on the lease liability;
- (b) reducing the carrying amount to reflect the lease payments made; and
- (c) remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments

The Bank has elected to account for short-term leases and leases of low-value assets using the practical expedients. Instead of recognizing a right-of-use asset and lease liability, the payments in relation to these are recognized as rent expense in profit or loss.

Presentation:

- On the Balance Sheet, right-of-use assets have been included in property, plant and equipment and lease liabilities have been included other liabilities.
- On the Profit and Loss Account, Interest expense on lease liability is included with Interest paid on borrowings and depreciation on right of use assets is included with 'depreciation and repair of bank's assets.

2.28 Share Capital

Ordinary shares are classified as equity when there is no contractual obligation to transfer cash or other financial assets

2.28.1 Authorized Capital

Authorized capital is the maximum amount of share capital that the Bank is authorized by its Memorandum and Articles of Association. Details are shown in note 13.1.

2.28.2 Paid up Capital

Paid up capital represents total amount of shareholders' capital that has been paid in full by the ordinary shareholders. Holders of ordinary shares are entitled to receive dividends as declared from time to time and are entitled to vote at shareholders' meetings. In the event of a winding-up of the Bank, ordinary shareholders are ranked after all other shareholders and creditors and are fully entitled to any residual proceeds of liquidation. Details are shown in note 13.2.

2.29 Statutory reserve

As per Banking Companies Act, the Bank requires to transfer 20% of its current year's profit before tax to statutory reserve until such reserve equals to its paid up capital. The Bank does comply with this requirement of law every year.

2.30 Bases for Valuation of Liabilities and Provisions

2.30.1 Retirement benefits to the employees

i) Provident fund

Provident fund benefits are given to the confirmed staffs of the Bank in accordance with the locally registered Provident Fund Rules. The Commissioner of Income Tax, Taxes Zone - 6, Dhaka has approved the Provident Fund as a recognized provident fund within the meaning of sub-section 1 of section 2 read with the provisions of part - B of the First Schedule of Income Tax Act 2023 w.e.f. 27 February 2003. The Fund is operated by a Board of Trustees consisting seven members from the employees of the Bank. All confirmed employees of the Bank are contributing 10% of their basic salary as subscription to the Fund. The Bank also contributes equal amount. Interest earned from the investments is credited to the members' account on yearly basis.

ii) Gratuity fund

The Bank has started making provision for liabilities of its employees' gratuity as per gratuity scheme of the Bank from the year 2004. Subsequently National Board of Revenue has approved the fund as recognized within the meaning of sections 2 and 3 read with the provision of part - C of the First Schedule of Income Tax Act 2023 w.e.f. 20 November 2006. The Bank contributes to the Fund as per Gratuity Fund Rules as well as Service Rule of the bank.

iii) Superannuation fund

The Bank has also introduced a "Superannuation Fund" instead of group life insurance policy for the employees. Those employees, who will be able to fulfil the specific criteria mentioned in the policy of the fund, will be entitled to get the benefit of "Superannuation Fund". National Board of Revenue has approved the fund as recognized within the meaning of section 3 read with the provision of part - A of the First Schedule of Income Tax Act 2023 w.e.f. 22 December 2004.

2.30.1.2 Workers' Profit Participation Fund (WPPF)

Workers' Profit Participation Fund (WPPF) is not maintained in accordance with letter No.-53.00.0000.311.22.002.17-130, dated 14 February 2017, issued by Bank & Financial Institution Division (BFID), Ministry of Finance and consistent with the industry practice.

2.30.3 Non-controlling interest in subsidiaries

Non-Controlling Interest (NCI) in business is an accounting concept that refers to the portion of a subsidiary corporation's stock that is not owned by the parent corporation. The magnitude of the non-controlling interest in the subsidiary company is always less than 50% of outstanding shares, else the corporation would cease to be a subsidiary of the parent. Non-controlling interest belongs to other investors and is reported on the consolidated balance sheet of the owning company to reflect the claim on assets belonging to other, non-controlling shareholders. Also, non-controlling interest is reported on the consolidated income statement as a share of profit belonging to non-controlling shareholders.

2.31 Revenue recognition

i) Interest income/Profit on TIB Investment

In terms of the provisions of the IFRS-15 "Revenue from Contracts with Customers", the interest income is recognized on accrual basis. Interest on loans and advances ceases to be taken into income when such advances are classified. It is then kept in interest suspense in a memorandum account. Interest on classified advances is accounted for on a cash receipt basis.

ii) Investment income/TIB Investment Income

Income on investments is recognized on accrual basis except from Government Securities which are recognized on the basis of BRPD Circular 15 Dated 31 October 2005 issued by Bangladesh Bank.

iii) Fees and commission income

Fees and commission income arises on services provided by the Bank are recognized on a cash receipt basis. Commission charged to customers on letters of credit and letters of guarantee are credited to income at the time of effecting the transactions.

iv) Dividend income

Dividend income from investments is recognized at the time when it is declared, ascertained and right to receive the payment is established.

v) Interest paid on borrowings and deposits

Interest paid on borrowings and deposits are calculated on 360 days in a year and recognized on accrual basis.

vi) Dividend payments

Interim dividend is recognized when they are paid to shareholders. Final dividend is recognized when it is approved by the shareholders.

The proposed dividend for the year 2024 has not been recognized as a liability in the balance sheet in accordance with the IAS-10: Events After the Reporting Period.

Dividend payable to the Bank's shareholders is recognized as a liability and deducted from the shareholders' equity in the period in which the shareholders' right to receive payment is established.

vii) Management and other expenses

Expenses incurred by the Bank are recognized on actual and accrual basis.

2.32 Reconciliation of inter-bank and inter-branch account

Accounts with regard to inter-bank (in Bangladesh and outside Bangladesh) are reconciled regularly and there are no material differences which may affect the financial statements significantly. Un-reconciled entries / balances in case of inter-branch transactions as on the reporting date are not material.

2.33 Risk Management

Risk management policy or process of Trust Bank encompasses risk appreciation based on the risk appetite for the particular sector/segment of the customers and subsequent risk identification, measurement and controlling of risk components to safeguard the interest of the bank and to keep the business portfolio performing to the maximum extent

We always prioritize to ensure risk-return trade-off on all business transactions. The focus group as constituted by Bangladesh Bank has selected 06 core risks namely (a) Credit Risk (b) Asset liability/Balance sheet Risk (c) Foreign Exchange Risk (d) Internal control and compliance Risk (e) Money laundering Risk and (f) IT risk management in order to impart internationally accepted best practices in the Banking and Financial system. Banks as a financial intermediary(ies) are exposed to multidimensional risks but those risks are to be examined and quantified for acceptance in line with the risk appetite and credit policy of our bank.

2.33.1 Credit Risk Management

Banks provide high-quality financial services to contribute to the growth of the country by accelerating the pace of industrialization, stimulating trade, increasing exports, creating employment opportunities for the youth, alleviating poverty, improving the living standards of the low-income groups and overall sustainable socio-economic development of the country. In execution of the aforesaid activities of the Bank, Credit Operation of the bank is of paramount importance as the greatest share of total revenue of the Bank is generated from it, maximum risk is centered in it and even the existence of bank depends on prudent management of its credit portfolio.

The aim of credit risk management is to maximize a bank's risk-adjusted rate of return by maintaining credit risk exposure within acceptable levels. Banks need to manage the credit risk inherent in the entire portfolio as well as the risk in individual borrower transaction. The effective management of credit risk is a critical component of a comprehensive approach to risk management and essential to the long-term success of any banking organization.

To facilitate stronger risk governance, accountability and transparency, Trust Bank PLC has followed the core guidelines and other credit related circulars and instructions of Bangladesh Bank, Risk Management Guidelines for Banks, and the Risk Based Capital Adequacy Framework in line with Basel III. In line with the regulatory guidelines, TBL has also its own policy related with Credit Risk Management.

In response to changes in the regulatory environment and business dynamics, Trust Bank PLC intends to continue updating policies, procedures and risk assessment frameworks for effective management of potential risks.

Considering the prevailing economic conditions, Trust Bank delineates business strategy to navigate these diverse challenges to make its portfolio resilient to different shock scenarios. Bank is designing inclusive process through risk appetite with an objective to bring trade-off relationship between sustainable credit growth and NPL position.

Way Forward for 2025

Since NPL directly affects the profitability of the bank, reducing NPL is always the top priority of TBL. In addition to fostering healthy credit culture, outlook related with credit risk management should be-

Restructuring the Balance Sheet:

- Gradually reduce our dependency on corporate loans to diversify risk.
- However, clients with diversified export business and large corporations with strong balance sheet will be preferred.
 - Enhance focus on Retail, SME, and Credit Card businesses.
- Enhancing loan portfolio in green finance, sustainable agriculture, sustainable cottage industries, micro, small, and medium enterprises, socially responsible financing, working capital, and demand loans for green products, projects, and initiatives, as well as priority green or eco-friendly products in the trading sector.

Recovery and Reduction of NPLs:

• Prioritize utmost effort in loan recovery to bring down Non-Performing Loans (NPLs) to below 4%.

Set up a comprehensive Approach for CRM:

- Enhance focus on diversification of our approach to ensure maintenance of existing good portfolio as well as profound emphasizes on minimizing defaulted loan/investment.
- Emphasis on sound portfolio management to include good accounts in our basket in line with our vision of building long term sustainable financial institutions.

2.33.2 Asset liability risk management

Asset Liability Management (ALM) plays an essential role in managing a bank's balance sheet risk. The Treasury Division primarily handles this responsibility through its Asset Liability Management (ALM) desk. However, major decisions regarding the balance sheet are made by the Asset Liability Management Committee (ALCO), which comprises senior bank management of the bank as per the Asset Liability Management guidelines of the Bangladesh Bank.

Trust Bank PLC has a dedicated Asset Liability Management Desk under the Treasury Division. The desk analyses the local and global market and macroeconomic developments, along with the financial activities of the bank, and disseminate the information to the Asset Liability Management Committee (ALCO) to support the decision making process.

ALM Desk has provided tremendous support during the last financial year by keeping the ALCO well-informed of critical changes in the market and supporting in pricing strategies of liabilities and assets. The Committee meets at least once in every month, as mandated by the regulator, to analyze recent local and global market outlook, major issues that may impact the existing interest rate, liquidity position and to decide on policies regarding interest rates, asset-liability mix, contingency plan etc.

Key objectives of ALM include:

- Effective management of the bank's balance sheet
- · Growth in assets and liabilities
- · Risk containment in a coherent manner
- Stability and consistency in earnings
- · Profitability

ALCO ensures that all decisions regarding risk management and balance sheet strategy align with the bank's broader financial goals. The ALM desk supports these decisions by providing market research, liquidity analysis, and recommendations to guide effective investment and fund management strategies.

2.33.3 Foreign exchange risk management

Foreign exchange (FX) risk management involves the strategies and practices employed by financial institutions to minimize or control the risks arising from fluctuations in exchange rates between different currencies. As businesses frequently engage in international transactions involving multiple currencies, managing FX risk is essential for safeguarding profits and ensuring financial stability. Typically, a bank's Treasury Division is responsible for addressing the challenges associated with FX risk. This risk emerges from activities such as trading foreign currencies, extending foreign currency loans, or participating in transactions with foreign-issued securities used to raise or deploy funds.

The primary sources of FX risk are twofold: first, currency mismatches between a bank's assets and liabilities, both on and off the balance sheet, that are not tied to a fixed exchange rate; and second, cash flow mismatches in foreign currencies until these positions are effectively hedged. Key sources of FX risk include foreign currency retail accounts, foreign exchange trading, investments in foreign currencies, and the bank's foreign operations or subsidiaries.

Types of Exchange Rate Risk:

Transaction risk:

This arises when a business has an outstanding obligation (e.g., payable or receivable) denominated in a foreign currency. The risk is that the exchange rate will change unfavorably before the transaction is settled.

Translation risk:

This occurs when a company has assets, liabilities, or earnings in foreign currencies, and the exchange rate changes. This can affect the financial statements when foreign currency positions are consolidated or translated into the company's home currency.

Economic risk:

This is the risk that long-term exchange rate fluctuations can affect the company's competitive position in the market, potentially altering the costs of goods or services, pricing, and demand for products.

Sources of foreign exchange risk:

Foreign exchange risk for a bank may arise from various sources, including:

- Business related to import payments or export encashment
- Foreign currency-denominated capital expenditure
- Remittance and revenue received in foreign currencies
- Other foreign currency income, such as royalties, interest, and dividends
- Foreign currency-denominated deposits, loans, or offshore operations

Effective management of FX risk involves identifying the specific types of exposure, developing a hedging strategy, and assessing available instruments to mitigate currency risks.

2.33.4 Internal control and compliance risk management

Maintaining a sound Internal Control System is pivotal for achieving bank's objective in an effective & efficient manner complying with internal & regulatory guidelines, reliability of financial reporting and safeguarding the Bank's asset as well as stakeholders' interest. A system of internal control can manage, but not eliminate, the risk of failure to achieve business objectives and can provide a reasonable but not absolute assurance against the risk of material misstatement, fraud or losses.

Keeping it in mind, appropriate control structure, system and processes for identifying, evaluating, monitoring & managing significant risks have been established at TBL, which are comprised of 05 (five) broad components namely i) Control Environment ii) Risk Assessment iii) Information System iv) Control activities & segregation of duties and v) Monitoring/Oversight.

Control Environment:

Board of Directors of TBL along with its 03(three) committees namely Executive Committee, Audit Committee and Risk Management Committee are persistently discharging their duties as per regulatory guidelines being independent from the Management of the Bank. As part of regulatory compliance, Independent Directors are included in the Board of Directors of the Bank. The Board of Directors of TBL approves and reviews the policies and overall business strategies of the Bank.

Senior Management Team (SMT) and some other committees like Credit Committee, Asset-Liability Committee (ALCO), Executive Risk Management Committee (ERMC), ICT Security Committee etc. are relentlessly engaged themselves with firm commitment under the confident and visionary leadership of the Managing Director of TBL to implement the policies and strategies set by the Board of the Bank from time to time.

The Bank has formulated and implemented Core Risk Guidelines of Bangladesh Bank and in addition to these, code of ethics, delegation of authority, different Product Policy Guidelines (PPG), circulars, Operational Manual etc. are implemented at the Bank from time to time. Besides, appropriate reporting line/organization structure has since been established within the bank.

Risk Assessment:

As per the Guidelines of Bangladesh Bank, Risk Management Division of TBL, HO is engaged in identifying the risks across the bank and analyzing the risks as a basis for determining how the risks should be managed. Besides, Executive Risk Management Committee (ERMC) and Board Risk Management Committee (BRMC) are discharging their responsibilities at supervisory level as per the regulatory guidelines of Bangladesh Bank with a view to ensure sound risk management function at TBL.

Information system:

Relevant and quality information necessary to support the functioning of internal control are being generated from the automated system of TBL, which are used by the Management of the Bank for well-informed decision making.

Control activities and segregation of duties:

Assignment of clear responsibilities, authorities and reporting system of the Bank is in place as per internal as well as regulatory policies/guidelines/circulars. Different types of controls namely,

- i) preventive controls (e.g. segregation of duties, internal check, physical control over assets, joint-signature requirements etc.),
- ii) detective controls (e.g. checking day-to-day transaction listing with vouchers, reconciliation of different heads of a/cs) and
- iii) corrective controls (e.g. data back-up, insurance etc.) are being practiced at TBL.

Monitoring/Oversight:

During the year 2024, 10 nos. Board meetings, 06 nos. Audit Committee meetings, 43 nos. Executive Meetings and 08 nos. SMT meetings were held. Effectiveness of the Bank's internal control system is reviewed by the Board, Audit Committee and SMT. Reports on significant risks facing the Bank and how they are being managed are regularly placed before the Board for review and necessary directives. In addition, memos on major issues as mentioned in the internal and external inspection reports of Branches/Divisions are placed to the Audit Committee of the Board for review and directives. Besides, implementation of the directives of the Board/EC/AC/RMC and the decisions of SMT & various management-level committees are monitored regularly.

On the other, as third-line defense, IC&CD of the Bank has been established comprising three departments namely Audit & Inspection, Compliance and Monitoring and these departments have been functioning separately as per BB's Guidelines.

As per annual inspection plan approved by the ACB, Audit & Inspection department conducted internal comprehensive inspection at all Branches, HO Divisions and subsidiaries namely TBSL, TADL, TBIL and 25 nos. surprise inspection at different branches of the bank. In addition, 16 nos special inspection were conducted by them in the year 2024. Moreover, Bangladesh Bank conducted Comprehensive Inspection on core risks and 15 nos Branches of TBL including Head Office during the year 2024. Upon reviewing the functioning of the processes and procedures of Internal Control System of TBL, statutory auditors namely MABS J & Partners, Chartered Accountants also provided the management report. Compliance of the lapses as mentioned in those reports are followed-up by the Compliance department of IC&CD and most of that have since been rectified and the rest are in the process of rectification. Besides, all the tools of Internal Control Processes (DCFCL, QOR, LDCL, SAAFIC) have been devised and implemented at TBL as per guidelines of Bangladesh Bank and these are monitored by the Monitoring Department of IC&CD.

Furthermore, sincere and combined efforts from the different divisions and committees would be continued for strengthening the internal control systems of the Bank in order to make it more effective as per the guidelines of Bangladesh Bank and other regulatory bodies.

2.33.5 Money Laundering & Terrorist Financing Risk Management

Trust Bank declared "Zero Tolerance" stand against Money Laundering and Terrorist Financing. The Board and senior management of the bank have given utmost priority to Anti-Money Laundering and Anti-Terrorism Program. To build a vigorous anti-money laundering and anti-terrorism program, TBL has a dedicated team working in "Anti-Money Laundering Division (AMLD)", headed by Deputy CAMLCO. Trust Bank also formed a Central Compliance Committee, headed by CAMLCO of the bank. At branch level BAMLCO is responsible to oversee the compliance activities related to Anti - Money Laundering & Combating Financing of Terrorism (AML & CFT).

AMLD has implemented an automated "Anti-Money Laundering" Software with the features of Sanction Screening, Transaction Monitoring, STR Reporting etc. for strengthening the compliance status of the bank.

To create awareness among all the employees Regional Training on AML & CFT is going on in different region as per approved training calendar. In the said training the following topics are focused-

- Laws, Rules, Regulations and Circulars related to prevention of money laundering and terrorist financing.
- AML Function and Compliance.
- Transaction Monitoring and STR reporting.
- · Credit Backed Money Laundering.
- Trade Based Money Laundering.

Trust Bank arranged an awareness program on AML & CFT for the members of Board of Directors and Senior Management, where the officials of BFIU were present and delivered their valuable opinion regarding the compliance status of TBL and necessary guidelines for further strengthening the AML & CFT compliance program of the bank.

Trust Bank seeks safeguard of the bank against money laundering and terrorist financing by applying internal policy, procedure and control through Training and Development, Compliance Function, Independent Audit and Customer Awareness Program.

2.33.6 IT risk management

The advancement of information and communicative technology (ICT) is given credit for the evolution of banking services, in particular, online banking. Information Technology (IT) Risk is a growing component of total operational Risk. As business increasingly depend on IT to automate processes and store information, IT Risk Management is emerging as a separate practice. IT includes security, availability, performance and compliance elements.IT Risk Management helps to reduce service costs and achieve greater compliance by effectively assessing classifying IT risk.

IT Risk management requires a disciplined approach that includes IT Risk awareness, quantification of business impacts, solution design and implementation across people, process, and technology, and creation of a sustained IT Risk Management program complete with performance measurement and a model for continuous improvement.

Compliance definitions

a) Data Protection

- Privacy & data security
- Growth of unstructured data
- Business continually and disaster recovery

b) Data Retention

- New model of data storage, software as service & disaster recovery
- Access by legitimate user

c) Strategic Governance Risk

- Alignment of IT risk control framework with business strategy
- Public disclosures accurately reflect corporate performance

d) National Security - Assuring IT system & network support legal infrastructure through electronic signatures, data movements and IT resources

e) Civil & Criminal legal Framework

- Protecting individual & corporate intellectual properly
- Availability keeping existing process running & recovering from interruption
- Access ensuring that people have right access
- Providing accurate, timely and complete information
- Implementing new strategic initiatives

Since the automation of the Bank and centralization of information system, all the branches of the bank are connected to the Head Office IT department in Dhaka through a dedicated link and Disaster Recover site at Jessore. The infrastructure design is up to standard and completely secure.

2.33.7 Liquidity risk management

Liquidity refers to the ability of a bank to convert assets into cash without significantly affecting their value. Liquidity risk arises when a bank cannot meet its financial obligations as they come due, often due to insufficient liquidity or marketability of its investments.

Liquidity risk can take four forms:

- 1. Term Liquidity Risk: Arises from mismatches in maturities between assets and liabilities.
- 2. Withdrawal/Call Risk: Occurs when large withdrawals or calls are made before maturity.
- 3. Structural Liquidity Risk: Happens when funding transactions cannot be carried out, or only at unfavorable terms.
- 4. Market Liquidity Risk: Results from the inability to buy or sell assets quickly at a reasonable price.

Liquidity risk management is critical, as a liquidity shortfall at a single institution can affect the entire financial system. A robust liquidity management framework is necessary to ensure the bank maintains enough liquidity to withstand stress events. Key ratios such as the Liquidity Coverage Ratio (LCR) and Net Stable Funding Ratio (NSFR), as outlined in Basel III, are used to assess and manage liquidity risk.

2.34 Interest rate risk management

Interest rate risk refers to the potential for adverse effects on a bank's financial standing due to fluctuations in interest rates. While banks typically embrace this risk as a source of profitability, excessive exposure can jeopardize earnings and capital.

Changes in interest rates affect both the bank's Net Interest Income (NII) and the value of its assets and liabilities, as well as off-balance-sheet items. Managing interest rate risk is essential for the stability and safety of the bank, and requires a detailed understanding of exposure and potential outcomes.

Banks use various tools to manage interest rate risk, including repricing schedules and simulation approaches. A combination of these techniques is typically employed to gain a comprehensive understanding of interest rate risk and mitigate its impact.

2.35 Operation risk management

Operational Risk is the risk of direct or indirect loss arising from a wide variety of causes associated with the Bank's involvement with financial instruments, including processes, personnel, technology and infrastructure and from external factors other than credit, market and liquidity risks such as those arising from legal and regulatory requirements and generally accepted standards of corporate behavior.

Operational Risk Management is a continuous process that includes risk assessment, risk decision making, and implementation of risk controls, which results in acceptance, mitigation, or avoidance of risk. The Bank's operational risk management focuses on proactive measures in order to ensure business continuity as well as the accuracy of information used internally and reported externally, competent and well-informed staff and its adherence to established rules and procedures as well as on security arrangements to protect the physical and ICT infrastructure of the Bank.

2.36 Wilful Defaulters

As per the instructions of the BRPD Circular no.- 06, dated 12 March 2024, we are reporting the list of wilful defaulters on a regular basis.

2.37 Basel-III Activities

"Basel III: A global regulatory framework for more resilient banks and banking systems" was introduced in Bangladesh in 2015 to improve the banking sector's ability to absorb shocks arising from financial and economic stress. As such, Bangladesh Bank issued 'Guidelines on Risk Based Capital Adequacy (RBCA) for banks with effect from January, 2015. The Basel-III rules on capital consist of measures on improving the quality, consistency and transparency of capital, enhancing risk coverage, introducing a supplementary leverage ratio and promoting counter-cyclical buffers and addressing systemic risk and interconnectedness.

In 2021, the Bank is required to maintain minimum Common Equity Tier-1 (CET-1) capital ratio of 4.50%, capital conservation buffer 2.50%, minimum CET-1 plus conservation buffer of 7.00%, minimum Tier-1 capital ratio of 6.00%, minimum total capital ratio 10.00% and minimum total capital plus capital conservation buffer 12.50%.

Pillar-I: Minimum Capital Requirement

In order to calculate Minimum Capital Requirement and Capital to Risk-weighted Asset Ratio (CRAR), bank is required to calculate its Risk Weighted Assets (RWA) on the basis of credit, market, and operational risks of bank. Trust Bank Ltd. has adopted the following measurement approaches for computing its Minimum Capital Requirement:

- Standardized Approach for Credit Risk
- Basic Indicator Approach for Operational Risk, and
- Standardized Approach for Market Risk

Pillar-II: Supervisory Review Process (SRP)

The Supervisory Review Process (the Second Pillar of Basel-III) is intended to ensure that banks have adequate capital to support all the risks in the business and, concurrently, to encourage banks to develop and utilize superior risk management techniques in monitoring and managing risks. In compliance with the Pillar-II guidelines of the Bangladesh Bank under Basel-III framework, Trust Bank Ltd. has formulated its own Internal Capital Adequacy Assessment Process (ICAAP) Policy to assess various risks that it is exposed to. The assessment of adequate capital would be the outcome of the dialogue to be held between the SRP team of Bank and SREP team of Bangladesh Bank.

Following risks are assessed for Adequate Capital Requirement under Pillar II as per ICAAP Policy of the Bank:

- Residual Risk
- Concentration Risk
- Liquidity Risk
- Reputation Risk
- Strategic Risk
- Settlement Risk
- Evaluation of Core Risk Management
- Environmental & Climate Change Risk
- Other Material Risks

Pillar-III: Market Discipline

The purpose of market discipline is to establish transparency and discipline in the financial markets so that stakeholders can assess the position of a bank with respect to the assets held by it as well as to identify the risks relating to these assets and the capital adequacy to meet probable losses. For this purpose, banks have to develop a set of disclosures containing information on the assets, risk exposures, risk assessment processes and the capital adequacy to meet the risks. The Pillar- III Disclosures are published on a yearly basis which is available in the official website and Annual Report of the bank.

2.38 Going concern

It is visible that many of the financial and non-financial organizations have closed down their operation from different part of the world. But in our country Government has taken some effective initiatives immediately like declaration different stimulus packages for different sectors. Hence, our overall economy has stood in a steady position. Moreover, the Management of the Bank has cautiously formulated business strategies in consideration with COVID-19 induced challenges and implemented the same for building the Bank more resilient. Therefore, any material uncertainty has not been posed due to the impacts of the COVID-19 that may cast significant doubt on Bank's ability to continue as a going concern.

The COVID-19 pandemic has not significantly impacted the Bank's income. The Bank has adequate resources to continue in operation and to meet financial commitments as they fall due for the foreseeable future. For this reason, the management continues to adopt going concern basis in preparing the financial statements.

2.39 Earnings per share (EPS)

Basic earnings per share

Basic earnings per share has been calculated in accordance with IAS 33 "Earnings per Share" which has been shown on the face of the profit and loss account. This has been calculated by dividing the basic earnings by the weighted average number of ordinary shares outstanding during the year.

Diluted earnings per share

Diluted earnings per share is not required to be calculated for the year as there was no scope for dilution during the year under review.

2.40 Non controlling interest

Non controlling interest is that portion of the profit or loss and net assets of the subsidiary (Trust Bank Investment PLC) attributable to equity interests that are not owned, directly or indirectly through subsidiary, by the Parent (Trust Bank PLC).

2.41 Compliance of International Accounting Standards (IAS) and International Financial Reporting Standards (IFRS)

The Institute of Chartered Accountants of Bangladesh (ICAB) is the sole authority for adoption of Bangladesh Accounting Standards (IAS) and Bangladesh Financial Reporting Standards (IFRS) in context of Bangladesh from the standards adopted by International Federation of Accountants Committee (IFAC) as International Accounting Standards (IAS) and International Financial Reporting Standards (IFRS). While preparing the financial statements, Trust Bank PLC applied most of the IAS and IFRS, details of which are given below:

2.42 The financial statements for the year ended 31 December 2024 were approved by the Board of Directors on 28 April 2025.

2.43 Auditors' work-hour

The external auditors, M/s MABS & J Partners, Chartered Accountants, in associated with Nexia International, one of the leading accounting conglomerates of the World, of the Bank worked about in excess 5,200 work-hours at the Bank's Head Office and different branches. During their audit, they audited above 80% of the Bank's risk weighted assets as of the reporting date.

2.44 General

- i) Figures have been rounded off to the nearest taka;
- ii) Prior year's figures shown for comparison purpose, have been rearranged, whenever necessary, to conform to current year's presentation.
- Prior year's figures of the Financial Statements of Trust Axiata Digital Limited, a subsidiary of Trust Bank PLC, have been restated due to rectification of some transactions. Hence, the prior year's figures of the Consolidated Financial Statements of Trust Bank PLC have also been restated accordingly.

21,486,883,343	16,977,503,573

3.3 Cash Reserve Ratio (CRR) and Statutory Liquidity Ratio (SLR)

Cash Reserve Requirement (CRR) and Statutory Liquidity Ratio (SLR) have been calculated and maintained in accordance with the Section 33 of the Banking Companies Act 1991 (as amended up to 2023), DOS circular nos. 01 dated 19 January 2014, DOS Circular Letter No. 26 dated August 19, 2019, BRPD Circular 31 dated June 18, 2020 and MPD circular no. 03 dated 09 April 2020.

All scheduled banks in Bangladesh (including Shariah based banks) are required to maintain 4.00 (four) percent CRR with Bangladesh Bank on bi-weekly average basis with a provision of minimum 3.50 (three and a half) percent on daily basis of their average total demand and time liabilities (ATDTL) of the month earlier of the previous month and Statutory Liquidity Ratio (SLR) required to be maintained by the conventional banks on daily basis shall not be less than 13.00 (thirteen) percent including the excess amount of Cash Reserve Requirement (CRR) of their average total time and demand liabilities in Bangladesh, and for Shariah-based Islamic Banks this amount shall not be less than 5.50 (five and a half) percent. Both reserves maintained during the year by the Bank are in excess of the statutory requirements.

The position of CRR and SLR as on 31 December 2024 is shown below:

3.3.1 Cash Reserve Ratio (CRR)

3.3.1.1 Conventional (Including Offshore) Banking

As per Bangladesh Bank DOS Circular No. 01 dated January 19, 2014, DOS Circular Letter No. 26 dated August 19, 2019 and MPD Circular No. 03 dated April 09, 2020 Bank has to maintain CRR @ 4.0% of fortnightly cumulative average basis and minimum @ 3.5% of daily basis for its Conventional banking. For off shore banking operation as per Bangladesh Bank BRPD Circular 31 dated June 18, 2020 Bank has to maintain minimum 2.0 (two) percent Cash Reserve Ratio (CRR) with Bangladesh Bank on bi-weekly average basis with a provision of minimum 1.5 (one and half) percent on daily basis of the average total demand and time liabilities (ATDTL) of Off Shore Banking Operation.

Provision for current tax of Tk. 4,560,000,000.00 has been made @ 37.50% on Business Income, @ 20% on Dividend Income, 15% 12.8.1 of Capital gain from sale of Govt. Securities as well as @ 10% of Capital gain from sale of Shares made by the Bank during the year after considering some of the add backs to income and disallowances of expenditure as per Income Tax Act and Rules, 2023.

The Bank has challenged some disputed income tax assessments which are pending at various appeal stages (i.e. Appellate Tribunal, High Court Division). The Bank is confident that once these appeals are finally disposed off, there should not be any additional tax demand against the Bank and hence no further provision is required.

12.8.2 Compensation Fund Account

Closing Balance	75,608,040	44,270,477

Islamic Banking is a trade-based mode of banking where compliance of Sharia guidelines is the precondition for its legitimacy. In addition to the prohibition of interest and classification of business activities between lawful (halal) and un-lawful (haram), Sharia also provides guidelines of business process and transaction. Any income generated from trading or investments without confirming to these Sharia instructions are considered un-lawful and termed as "doubtful Income" in the terminology of Islamic Banking.

However, since the "Doubtful Income" is not an "income" - as such the nomenclature has been already been changed as "Compensation" instead of "Doubtful Income".

13.1 (a) Summary of shareholding in subsidiaries

Trust Bank's shareholding position in its 03 (three) subsidiaries and one associate is summarized below:

Name of subsidiary	Face value per	Total no. of ordinary shares			ordinary held by ank PLC.	Trust l percen shareh	tage of
	share	2024	2023	2024	2023	2024	2023
Trust Bank Investment PLC	BDT 100	30,000,000	30,000,000	29,999,993	29,999,993	99.99998%	99.99998%
Trust Bank Securities Limited	BDT 10	35,000,000	35,000,000	34,999,999	34,999,999	100.0000%	100.0000%
Trust Axiata Digital Limited	BDT 10	45,000,000	45,000,000	44,999,990	22,950,000	99.99998%	51.00000%

The non-controlling interest has been changed significantly in 2024 compared to the amount of 2023 due to the acquisition of 99.99998% shareholding of Trust Axiata Digital Limited (TADL) by Trust Bank PLC in 2024 from 51.00% shareholding in 2023.

14 STATUTORY RESERVE

Balance on 1 January Reserve made during the year Closing Balance

9,779,751,092	8,779,751,092
1,000,000,000	1,000,000,000
10,779,751,092	9,779,751,092

As per Section 24(1) of The Banking Companies Act, 1991, every banking company shall create a statutory reserve and if the amount of such fund together with the amount in the share premium account is less than its paid-up capital, it shall transfer at an amount not less than 20% of net profit before taxes to statutory reserve fund. Trust Bank PLC has maintained the required fund for statutory reserve, an amount of BDT 1,000,000,000 has been transferred to statutory reserve in current year on lump sum basis.

15 CAPITAL RESERVE

Balance on 1 January Reserve made/(adjusted) during the year Closing Balance

1,886,740	3,521,946
(1,635,206)	(2,780,922)
3,521,946	6,302,868

As per BSEC Notification No. BSEC/CMRRCD/2017-357/221/Admin/89 dated 22 May 2019, each registered entity shall maintain a mandatory provision at least @ 10% of profit after tax of last year as capital reserve. Accordingly, Trust Bank Securities Ltd., a subsidiary of Trust Bank Ltd., has transferred 10% of profit after tax of last year as capital reserve.

16 OTHER RESERVE

Revaluation Reserve

Balance on 1 January Reserve made/(adjusted) during the year Closing Balance

114,545,718	46,394,756
62,992,033	68,150,962
177,537,751	114,545,718

Investments which have 'fixed or determinable payments', and are intended to be 'held to maturity' other than those which are floating and/or free to trade in the market at prevailing prices are classified as held to maturity and must be amortized at the end of the year before maturity. Investments classified in the category of 'Held for Trading' are held indeed selling or purchasing –in short-trading as decided by the management of the bank or treasury. After initial recognition, investments of such categories are measured at their fair value once in a week. The increase in case of amortization of Investment under 'Held to maturity' and any change in the fair value in case of Investment under 'held for Trading' is to be accounted for in the 'Statement of changes in Equity' under the head Other Reserve as Surplus/Deficit on revaluation of investment.

47 EXPENDITURE INCURRED FOR EMPLOYEES

Salaries, allowances and benefits

Number of employees at 31 December 2024 was 2302; (31 December 2023 was 2199) who were in receipt of remuneration for that period which in the aggregate was not less than Tk 36,000 and those employed for a part of that year who were in receipt of remuneration of not less than Tk. 3,000 per month.

48 AUDIT COMMITTEE

48.1 Particulars of Audit Committee

An audit committee has been formed by the Board of Directors of the Bank in its 64th Board meeting held on 05 February 2003. In accordance with the BRPD circular no. 11 dated 27 October 2013, the committee constituted with a chairman, and a member.

As on 31 December 2024, the Honorable Members of the committee were as follows:

Name	Status with Bank	Status with Committee	Educational Qualification		
Ms. Nusrat Khan	Independent Director	Chairman	 MSc (Management of Risk), Peter J Tobin College of Business, St. John's University, New York, USA. MBA & BBA (Finance), University of Dhaka. 		
Brig Gen Selim Azad, hdmc, psc	Director (Nominated)	l.	 Post Graduate Diploma in Defence and Strategic Studies from University of Malaya, Malaysia. Masters in Management Studies from Osmania University Hyderabad, India. 		

During the period ended on 31 December 2024, the following number of meetings of the Audit Committee held with the bank's Senior Management to consider and review the Bank's Financial Statements and Risk Management:

Meeting Number	Date of Meeting
118 (01/2024)	01-Feb-24
119 (02/2024)	23-Apr-24
120 (03/2024)	16-May-24
121 (04/2024)	28-Jul-24
122 (05/2024)	27-Oct-24
123 (06/2024)	18-Dec-24

48.3 Following steps have been taken for implementation of an effective Internal Control Procedures of the banks:

- A strong internal control & compliance division has been formed with a view to establish compliance culture and full control.
- Regular review of internal and external (including Bangladesh Bank) audit reports with a view to implement the suggestion of internal and external auditors (including Bangladesh Bank), in respect of internal control techniques.
- To establish an effective management system that includes planning, organizing and supervising culture in the branches as well as at head office.
- Continuous monitoring & evaluation on application of internal control system, internal audit policy, policy for financial risks, existing rules and regulations (internal and external), other obligations from controlling authority, disclosure process of financial statements etc. of the bank.
- Review the accounting procedures with a view to ascertain that the International Financial Reporting Standards (IFRSs) have been applied in preparation and presentation of financial statements.
- Formulation of HRM policy and other operating procedures.

49 Related Party Disclosures

The names of the companies in which the directors also hold the directorship and the membership of committees of the Board in compliance with Notification No. BSEC/ CMRRCD/2006-158/207/Admin/80 dated 03 June 2018 of Bangladesh Securities and Exchange Commission (BSEC) are appended below as on 31 December 2024:

Trust Bank PLC

Off-shore Banking Unit (OBU) Notes to the Financial Statements For the year ended 31 December 2024

1 Status of the unit

Off-shore banking Unit ("the Unit") is a separate business unit of Trust Bank PLC, governed under the Rules and Guidelines of Bangladesh Bank. The Bank obtained the Off-shore banking unit permission vide letter no.BRPD(P-3)744(116)/2010-2462 dated 02 June 2010. The Bank commenced the operation of its Off-shore Banking Unit from 24 October 2013 and its office is located at Dilkusha Corporate Branch, Dhaka

1.1 Principal activities

The principal activities of the unit is to provide all kinds of commercial banking services to its customers through its Off-Shore Banking Unit in Bangladesh.

2 Significant accounting policies and basis of preparations

2.1 Basis of preparation

The financial statements are prepared on the basis of a going concern and represent the financial performance and financial position of the Off-shore Banking Unit (OBU). The financial statements of the OBU are prepared in accordance with the Bank Companies Act 1991, in particular, Banking Regulation and Policy Department (BRPD) Circular No. 14 dated 25 June 2003, Bangladesh Bank BCD Circular No. (P) 744(27), dated 17 December, 1985, other Bangladesh Bank Circulars, Bangladesh Financial Reporting Standards (BFRSs) and other rules and regulations where necessary.

2.2 Foreign currency transaction

Items included in the financial statements of the Unit are measured using the currency of the primary economic environment in which the entity operates ("the functional currency"). The financial statements of the Unit are presented in US Dollar (USD) and Taka where USD is the functional currency and Taka are the Unit's presentation currency.

2.3 Cash flow statement

Cash flow statement has been prepared in accordance with the IAS-7 Cash Flow Statement under direct method as recommended in the BRPD Circular No. 14, datd 25 June 2003 issued by the Banking Regulation & Policy Department of Bangladesh Bank.

2.4 Reporting period

These financial statements of the Unit cover the financial year from 01 January to 31 December 2024.

2.5 Cash and cash equivalents

Cash and cash equivalents include notes and coins on hand, unrestricted balances held with Bangladesh Bank and highly liquid financial assets which are subject to insignificant risk of changes in their fair value, and are used by the unit management for its short-term commitments.

2.6 Loans and advances

- a) Loans and advances are stated in the balance sheet on gross basis.
- b) Interest is calculated on daily product basis, but charged and accounted for quarterly on accrual basis. Interest on classified loans and advances/investments is kept in interest suspense account as per BRPD circulars no. 16 of 1998, 9 of 2001 and 10 of 2005 and recognised as income on realisation. Interest is not charged on bad and loss loans and advances/investments as per guidelines of Bangladesh Bank. Records of such interest amounts are kept in separate memorandum accounts.
- c) As per BRPD circular no. 16 dated 18 November 2014, BRPD Circular 14 dated 23 September 2012, BRPD Circular no. 19 dated 27 December 2012 and BRPD Circular no. 05 dated 29 May 2013, provision for sub-standard loans, doubtful loans and bad loss loans has to be provided at 20%, 50% and 100% respectively for loans and advances depending on the duration of overdue. Provision for unclassified loan was made at the specified rate i.e. 0.25% to 5%.

2.7 Revenue recognition

2.7.1 Interest income

Interest income is recognized on accrual basis.

2.7.2 Fees and commission income

Fees and commission income arises on services provided by the units are recognized on a cash receipt basis. Commission charged to customers on letters of credit and letters of guarantee are credited to income at the time of effecting the transactions.

2.7.3 Interest paid and other expenses

In terms of the provisions of the IAS - I Presentation of Financial Statements, interest and other expenses are recognized on accrual basis.

2.8 Genera

Assets and liabilities have been translated into Taka currency @USD 1 = BDT 120.0000 (2023 : BDT 110.0000). Income and expenses are translated at an average rate @ USD 1 = BDT 110.0000 (2023 : BDT 106.6464).
